

Dear Prospective tenant,

Hello & Thank you for your interest in our Off-Campus housing units for the Spring Semester. Our housing units are renovated, spacious & clean and are set for single occupancy. Over the past few years we have completed numerous renovations to the property both inside and out including a new parking lot and upgraded exterior lighting. We have also installed new carpeting in the main part of the building and a new roof.

We have several rooms available for rent with each room set up for a single occupant. One thing to please note, we do not “Reserve” a room for any students until the Security Deposit is received. As long as that deposit is received while we still have rooms available then a room will be secured for you. Please also note that other requirements must also be completed before any student is allowed to move in.

We try to be as thorough as possible regarding our tenants and have compiled some preliminary Rental forms for you to review and with our Off-Campus Housing you will be required to complete all documentation necessary to be considered for tenancy. We do this to ensure that students staying with us have a comfortable and safe tenancy. Included with this letter are the following documents:

Included is the following documentation:

- #1 – Rental/Lease Application
- #2 – Guaranty of Lease Agreement
- #3 – Costs & Amenities
- #4 – Room Payment Options Sheet
- #5 – Student Information Release form
- #6 – Final Checklist

Please take note of the following:

1. There will be other documents to be completed after you are accepted for tenancy and prior to being allowed to move in.
2. **All** documentation must be completed in full before any tenancy will be considered.
3. Rooms will only be “held” after the Security Deposit is received.
4. Arrangements for “Move In” must be made in advance & occupancy will not be available until arrangements are made.
5. The “Student Information Release form” must be filled out by the college and returned to SRE Enterprises or the application could be refused.
6. A Parent/Guardian must accompany the student during “Move-In” to complete the remaining required paperwork.

Please print out & review these documents and bring them with you as they are & will be part of the Lease agreement. To qualify for a room please contact us and complete & return the attached documents with your security deposit.

We hope that you find this information useful. If you have any questions please direct them to our e-mail address “sreenterprises1@gmail.com” & we will reply to all questions. Thank you & good luck in your college career.
